Investment Objectives

<input type="checkbox"/> Income: The objective of the income strategy is to provide current income instead of long-term capital growth. Characteristics of this strategy include steady income with little potential for capital gain and a more limited risk of capital loss in comparison to other securities. <input type="checkbox"/> Preservation of Capital: The objective of the preservation of capital investment strategy is to protect your initial investment by choosing investments that minimize the potential for loss of principal. <input type="checkbox"/> Capital Appreciation: The objective of the capital appreciation strategy is to pursue growth in the principal of your investments over time while recognizing an increased level of volatility and risk. <input type="checkbox"/> Tax Advantage Income: The objective of the tax advantage income strategy is to produce income from investments (typically bonds and high-yielding stocks) that provide tax benefits such as exemption from state taxes.	<input type="checkbox"/> Speculation: The objective of this strategy is to produce higher-than-average gains by assuming a higher risk of loss by taking advantage of expected price changes. This strategy should only be chosen by investors who are not dependent on these assets for their financial well-being and who have a high risk tolerance. <input type="checkbox"/> Short Term Trading: The purchase and sale of a security within a short period of time, often a single trading session. This is the opposite of buy and hold. <input type="checkbox"/> Hedge: An investment made in order to reduce the risk of adverse price movements in a security by taking an offsetting position in a related security. For example, buying an option or selling a stock short against a long position. <input type="checkbox"/> Aggressive Growth: This strategy aims for the highest possible growth and is not risk-averse in its selection of investments. An example would be buying stock in an emerging company. This strategy is suitable for investors who are willing to accept a high risk-return trade off as these stocks tend to have high share price volatility.

To Regal Securities, Inc.:

In consideration of your opening one or more accounts on my behalf, I represent and agree as follows:

- I am of legal age, authorized to enter into this agreement, and except as otherwise disclosed to you, I am not an employee of any exchange or a member firm of any exchange or the NASD, and that I will promptly notify you if I become so employed.
- I appoint you as my agent for the purpose of carrying my directions to you in accordance with the terms and conditions of my agreement with you for my account and risk with respect to the purchase or sale of securities. To carry out your duties, you are authorized to open or close brokerage accounts, place and withdraw orders, and take such other steps as are reasonable to carry out my directions.
- I understand that Penson Financial Services, Inc. will execute and clear all transactions under this agreement.
- This is to confirm my intention to reinvest cash credit balances held by you in my name, and I further confirm that this cash credit balance is being maintained with you solely for the purpose of reinvestment. I understand that cash balances of up to \$100,000 are protected by the Securities Investor Protection Corporation (SIPC), but that SIPC coverage is not available for funds maintained solely for the purpose of earning interest.
- Penson Financial Services, Inc. or its agents will hold all securities kept in my account. Penson is a member of the SIPC, which protects securities customers of its members up to \$500,000 (including \$100,000 for claims for cash). A second level of protection has been privately obtained. Both SIPC and the additional coverage may provide protection in the event of a member firm failure but does not insure against market decline.
- Whenever in your discretion you consider it necessary for your protection, or for the protection of the undersigned's introducing firm or in the event of, but not limited to; (i) any breach by the undersigned of this or any other agreement with you or (ii) the undersigned's failure to pay for securities and other property purchased or to deliver securities and other property sold, you may sell any or all securities and other property held in any of the undersigned's accounts (either individually or jointly with others), cancel or complete any open orders for the purchase or sale of any securities and other property, and/or borrow or buy-in any securities and other property required to make delivery against any sale, including a short sale, effected for the undersigned, all without demand for deposit of collateral, other notice of sale or purchase, or other notice or advertisement, each of which is expressly waived by the undersigned, and/or you may require the undersigned to deposit cash or adequate collateral to the undersigned's account prior to any settlement date in order to assure the performance or payment of any open contractual commitments and/or unsettled transactions. Any and all securities and other property belonging to the undersigned or in which the undersigned may have an interest held by you or carried in any of the undersigned's accounts with you (either individually or jointly with others) shall be subject to a first and prior security interest and lien for the discharge of the undersigned's obligations to you, wherever or however arising and without regard to whether or not you have made advances with respect to such securities and other property, and you are hereby authorized to sell and/or purchase any and all securities and other property in any of the undersigned's accounts, and/or to transfer any such securities and other property among any of the undersigned's accounts to the fullest extent of the law and without notice where allowed. The costs and expenses of collection of the debit balance and any unpaid deficiency in the accounts of the undersigned with you, including but not limited to reasonable attorneys' fees and expenses, incurred and payable or paid by you shall be payable to you by the undersigned.
- You are authorized, in your discretion, should you for any reason whatsoever deem it necessary for your protection, without notice, to cancel any outstanding order, to close out the accounts of the undersigned, in whole or in part, or to close out any commitment made on behalf of the undersigned.
- I understand and agree that any telephone conversation with you will be recorded for accuracy.
- In the event I become indebted to you in the course of operation of this account, I agree that I will repay such indebtedness upon demand. I agree that if after demand I fail to pay the indebtedness, you may close my account and liquidate the assets in my account on a pro rata basis in an amount sufficient to pay my

- indebtedness. If Customer also holds a futures account with Penson Financial Futures, Inc. ("PFFI"), Customer hereby authorizes Penson, without prior notice, to transfer from any account held with Penson to any account held with PFFI, any assets that PFFI represents to Penson are reasonably required to avoid the calling of margins for such PFFI account or the payment of any obligations owed Penson by Customer. Customer also authorizes Penson to request from PFFI assets held by PFFI that in Penson's judgment may be reasonably required to avoid the calling of margins for a Penson account or the payment of any obligations owed Penson by Customer.
- Upon the purchase or sale of any security, if you are unable to settle the transaction by reason of my failure to make payment or deliver securities in good form, I authorize you to take steps necessary to complete the transaction, in which event I agree to reimburse you for all costs, losses or liabilities incurred by you.
- This agreement and all transactions made in my account shall be governed by the laws of the Commonwealth of Pennsylvania (regardless of the choice of law rules thereof).
- I agree that neither Penson nor Regal Securities, Inc. and its affiliates will be liable for any consequential, incidental, special, or indirect damage (including lost profits, trading losses, and damages) which result or indirectly from inconvenience, delay, or loss of service; a cause over which Penson or Regal Securities, Inc. or its affiliates does not have direct control, including, but not limited to, failure of electronic or government restriction(s), exchange or market rules, and "force majeure" (i.e. war, strike, riot, flood, fire, extraordinary weather, or other act of God), or any other condition beyond its control even if Regal Securities, Inc. has been advised of the possibility of such damages.
- The reasonable costs of collection of the debit balance and any unpaid deficiency in my accounts, including attorney's fees incurred by you, shall be reimbursed by me to you.
- I agree to have available or agree to deliver sufficient funds to cover the amount due on purchases by 2:00 p.m. Eastern Time on settlement date, and I agree to deliver any securities I have in my possession in sufficient time to be received by Regal Securities, Inc. one day before settlement date.
- In consideration of your carrying a joint account for the undersigned, the undersigned jointly and severally agree that each of them shall have authority on behalf of the joint account to buy, sell (including short sales) and otherwise deal in, through you as brokers, stocks, bonds, and other securities on margin or otherwise; to receive on behalf of the joint account demands, notices, confirmations, reports, statements of account and communications of every kind; to receive on behalf of the joint account money, securities and property of every kind and to dispose of same; to make on behalf of joint account agreements relating to any of the foregoing matters and to terminate or modify same or waive any of the provisions thereof; and generally to deal with you on behalf of the joint account as fully and completely as if he alone were interested in said account, all without notice to the other or others interested in said account. You are authorized to follow the instructions of any of the undersigned in every respect concerning the said joint account with you and to make deliveries to any of the undersigned, or upon his instructions, of any or all securities in said joint account, and to make payments to any of the undersigned, or upon his order, of any or all monies at any time or from time to time in the said joint account as he may order and direct, for the benefit of the joint account. Notwithstanding the foregoing, you are authorized in your discretion to require joint action by the joint tenants with respect to any matter concerning the joint account, including but not limited to the giving or cancellation of orders and the withdrawal of money, securities, futures or commodities. The authority hereby conferred shall remain in force until written notice of the revocation addressed to you is delivered at your main office.
- The liability of the undersigned with respect to said account shall be joint and several. The undersigned further agrees jointly and severally that all property you may at any time be holding or carrying for any one or more of the undersigned shall be subject to a lien in your favor for the discharge of the joint account to you, such lien to be in addition to and not in substitution of the rights and remedies you otherwise would have.
- It is further agreed that in the event of death of either of any of the undersigned, the survivor or survivors shall immediately give you written notice thereof, and you may, before or after receiving such notice, take such proceedings, require such papers and inheritance or estate tax waivers, and retain such portion of and/or restrict transactions in the account as you may deem advisable to protect

you against any tax, liability, penalty or loss under any present or future laws or otherwise. The estate of any of the undersigned who shall have died shall be liable, and each survivor shall continue liable jointly and severally, to you for any net debit balance or loss in said account in any way resulting from the completion of transactions initiated prior to the receipt by you of the written notice of the death of the decedent or incurred in the liquidation of the account or the adjustment of the interests of the respective parties.

18. The proceeds of all sales transactions and dividends paid will be reported to the Internal Revenue Service (IRS) in accordance with applicable law.
19. The undersigned (1) certifies that the information contained in this application is complete, true and correct, and acknowledges that knowingly giving false information for the purpose of inducing Regal Securities, Inc. to extend credit is a federal crime; (2) authorizes Regal Securities, Inc. to contact any individual or firm noted herein and any other normal sources of debit or credit information; (3) authorizes anyone so contacted to furnish such information to Regal Securities, Inc. as Regal Securities, Inc. may request; (4) agrees that this application is the property of Regal Securities, Inc. and Regal Securities, Inc. may retain this application in its record at its sole discretion, whether or not credit is extended.
20. "Unless otherwise instructed, Penson Financial Services, Inc. routes equity orders taking into consideration, among other factors, the quality and speed of execution as well as the credits and cash payments receivable from the New York Stock Exchange, Inc. and other market centers. Equity orders are generally eligible for possible price improvement. Specialists and Dealers accomplish this by exposing the order to competition, size guarantees or by stopping the order temporarily at the current inside bid or offer and providing the Specialist or Dealer the opportunity to improve the price. The nature and source of any payments and/or credits received in connection with your specific transactions will be furnished upon written requests."
21. If any provision hereof is or at any time should be inconsistent with any present or future law, rule or regulation of any securities exchange or of any sovereign government or a regulatory body thereof, and if any of these bodies have jurisdiction over the subject matter of this agreement, said provision shall be deemed to be superseded or modified to conform to such law, rule, or regulation, but in all other respects, this Agreement shall continue and remain in full force and effect.

TENANTS IN COMMON

Account Number: _____

We, the undersigned, request you to open a joint account in our names as designated below, as to which we are tenants in common of said account with each of the undersigned or his or her estate having the following interests.

In consideration of your carrying a joint account for the undersigned, the undersigned jointly and severally agree that each of them shall have authority on behalf of the joint account to buy, sell (including short sales) and otherwise deal in through you as brokers, stocks, bonds and other securities, on margin or otherwise; to receive on behalf of the joint account demands, notices, confirmations, report, statements of account and communications of every kind to receive on behalf of the joint account money, securities and property of every kind and to dispose of same to make on behalf of the joint account agreements relating to any of the foregoing matters and to terminate or modify same or waive any of the provisions thereof; and generally to deal with you on behalf of the joint account as fully and completely as if he alone were interested in said account all without notice to the other or others interested in said account.

The liability of the undersigned with respect to said account shall be joint and several. The undersigned further agrees jointly and severally that all property you may at any time be holding or carrying for any one or more of the undersigned shall be subject to a lien in your favor for the discharge of the obligations of the joint account to you, such lien to be in addition to and not in substitution of the rights and remedies you otherwise would have.

It is further agreed that in the event of the death of either or any of the undersigned, the survivor or survivors shall immediately give you written notice thereof, and you may, before or after receiving such notice, take such proceeding, require such papers and inheritance or estate tax waivers, retain such portion of and/or restrict transactions in the account as you may deem advisable to protect you against any tax, liability, penalty or loss under any present or future laws or otherwise. The estate of any of the undersigned who shall have died shall be liable and each survivor shall continue liable jointly and severally, to you for any net debit balance or loss in said account in any way resulting from the completion of transactions initiated prior to the receipt by you of the written notice of the death of the decedent or incurred in the liquidation of the account or the adjustment of the interests of the respective parties.

In the event of the death of either or any of the undersigned, the interests in the account as of the close of business on the date of the death of the decedent (or on the next following business day if the date of the death is not a business day), shall be as designated below.

But any taxes, costs, expenses or other charges becoming a lien against or being payable out of the account as a result of the death of the decedent, or through the exercise by his or her estate or representatives of any rights in the account shall, so far as possible, be deducted from the interest of the estate of such decedent.

In the event you receive conflicting instructions from the undersigned, you are authorized at your sole discretion to decide as to what course of action to follow, which may include a freeze on the account until written uniform instructions are received from all of the undersigned; or the property may be mailed to the address of record; or an interpleader action may be filed in the appropriate court with the legal expenses to be recovered from the undersigned; or other action may be taken as you deem appropriate.

Subject to the provisions hereof, all notices of communications for the undersigned in respect of the joint account are to be directed to the address listed above.

11. **Hypothecation.** Within the limitations imposed by applicable laws, rules and regulations, all securities now or hereafter held by you, or carried by you in any account for the undersigned (either individually or jointly with others), or deposited to secure same, may from time to time, without any notice, be carried in your general loans and may be pledged, repledged, hypothecated or re-hypothecated, separately or in common with other securities for the sum due to you thereon or for a greater sum and without retaining in your possession or control for delivery a like amount of similar securities. The IRS requires Broker Dealers to treat dividend payments on loaned securities positions as in-lieu dividends for 1099 tax reporting purposes. Taxation of substitute dividend payments may be greater than ordinary on qualified dividends. It is understood, however, that you agree to deliver to the undersigned upon demand and upon payment of the full amount due thereon, all securities in such accounts, but without obligation to deliver the same certificates or securities deposited by the undersigned originally. Any securities in the undersigned's margin or short account may be borrowed by you, or lent to others.
12. **Interest.** Debit balances in all the accounts of the undersigned shall be charged with interest in accordance with your established custom, as disclosed to the undersigned in the Customer Information Brochure pursuant to the provisions of Rule 10b-16 of the Securities Exchange Act.
13. **Margin.** The undersigned agrees to maintain in all accounts with you such positions and margins as required by all applicable statutes, rules, regulations, procedures and custom, or as you deem necessary or advisable. The undersigned agrees to promptly satisfy all margin and maintenance calls.
14. **Sales.** The undersigned agrees to specifically designate any order to sell a security, which the undersigned does not own as a short sale, and understands that you will mark such order as a short sale. The undersigned agrees that any order which is not specifically designated as a short sale is a sale of securities owned by the undersigned, and that the undersigned will deliver the securities on or before settlement date, if not already in the account. If the undersigned should fail to make such delivery in the time required, you are authorized to borrow such securities as necessary to make delivery for the undersigned's sale, and the undersigned agrees to be responsible for any loss you may thereby sustain, or which you may sustain as a result of your inability to borrow such securities.
15. **Representations.** The undersigned represents that the undersigned is of majority age, that the undersigned is not an employee of any exchange, or of any corporation of which any exchange owns a majority of the capital stock, or of a member of any exchange, or of a member firm or a member corporation registered on any exchange or of a bank, trust company, insurance company or of any corporation, firm or individual engaged in the business dealing either as broker or as principal in securities, bills of exchange, acceptances or other forms of commercial paper. The terms of these other agreements are in addition to the provisions of this Agreement and any other written agreements between you and the undersigned.
18. **Data Not Guaranteed.** The undersigned expressly agrees that any data or online reports is provided to the undersigned without warranties of any kind, express or implied, including but not limited to, the implied warranties of merchantability, fitness of a particular purpose or non-infringement. The undersigned acknowledges that the information contained in any reports provided by you is obtained from sources believed to be reliable but is not guaranteed as to its accuracy or completeness. Such information could include technical or other inaccuracies, errors or omissions. In no event shall you or any of your affiliates be liable to the undersigned or any third party for the accuracy, timeliness, or completeness of any information made available to the undersigned or for any decision made or taken by the undersigned in reliance upon such information. In no event shall you or your affiliated entities be liable for any special incidental, indirect or consequential damages whatsoever, including, without limitation, those resulting from loss of use, data or profits, whether or not advised of the possibility of damages, and on any theory of liability, arising out of or in connection with the use of any reports provided by you or with the delay or inability to use such reports.

The headings of each section of this Agreement are descriptive only and do not modify or qualify any provision of this Agreement. This Agreement and its enforcement shall be governed by the laws of the state of Texas and shall cover individually and collectively all accounts which the undersigned has previously opened, now has open or may reopen with you, or any introducing broker, and any and all previous, current and future transactions in such accounts. Except as provided in this Agreement, no provision of this Agreement may be altered, modified or amended unless in writing signed by your authorized representative. This Agreement and all provisions shall inure to the benefit of your successors, whether by merger, consolidation or otherwise, your assigns, the undersigned's introducing broker, and all other persons specified in Paragraph 10. You shall not be liable for losses caused directly or indirectly by any events beyond your reasonable control, including without limitation, government restrictions, exchange or market rulings, suspension of trading or unusually heavy trading in securities, a general change in economic, political or financial conditions, war or strikes. You may transfer the accounts of the undersigned to your successors and assigns. This Agreement shall be binding upon the heirs, executors, administrators, successors and assigns of the undersigned.

We are furnishing this document to you to provide some basic facts about purchasing securities on margin, and to alert you to the risks involved with trading securities in a margin account. Before trading stocks in a margin account, you should carefully review the margin agreement provided by your firm. Consult your firm regarding any questions or concerns you may have with your margin accounts.

When you purchase securities, you may pay for the securities in full or you may borrow part of the purchase price from your brokerage firm. If you choose to borrow funds from your firm, you will open a margin account with the firm. The securities purchased are the firm's collateral for the loan to you. If the securities in your account decline in value, so does the value of the collateral supporting your loan, and, as a result, the firm can take action, such as issue a margin call and/or sell securities or other assets in any or your accounts held with the member, in order to maintain the required equity in the account.

It is important that you fully understand the risks involved in trading securities on margin. These risks include the following:

- **You can lose more funds than you deposit in the margin account.** A decline in the value of securities that are purchased on margin may require you to provide additional funds to the firm that has made the loan to avoid the forced sale of those securities or other securities or assets in your account(s).
- **The firm can force the sale of securities or other assets in your account(s).** If the equity in your account falls below the maintenance margin requirements, or the firm's higher "house" requirements, the firm can sell the securities or other assets in any of your accounts held at the firm to cover the margin deficiency. You also will be responsible for any short fall in the account after such a sale.
- **The firm can sell your securities or other assets without contacting you.** Some investors mistakenly believe that a firm must contact them for a margin call to be valid, and that the firm cannot liquidate securities or other assets in their accounts to meet the call unless the firm has contacted them first. This is not the case. Most firms will attempt to notify their customers of margin calls, but they are not required to do so. However, even if a firm has contacted a customer and provided a specific date by which the customer can meet a margin call, the firm can still take necessary steps to protect its financial interests, including immediately selling the securities without notice to the customer.
- **You are not entitled to choose which securities or other assets in your account(s) are liquidated or sold to meet a margin call.** Because the securities are collateral for the margin loan, the firm has the right to decide which security to sell in order to protect its interests.
- **The firm can increase its "house" maintenance margin requirements at any time and is not required to provide you advance written notice.** These changes in firm policy often take effect immediately and may result in the issuance of a maintenance margin call. Your failure to satisfy the call may cause the member to liquidate or sell securities in your account(s).
- **You are not entitled to an extension of time on a margin call.** While an extension of time to meet margin requirements may be available to customers under certain conditions, a customer does not have a right to the extension.

Investment Objectives	
<input type="checkbox"/> Income: The objective of the income strategy is to provide current income instead of long-term capital growth. Characteristics of this strategy include steady income with little potential for capital gain and a more limited risk of capital loss in comparison to other securities. <input type="checkbox"/> Preservation of Capital: The objective of the preservation of capital investment strategy is to protect your initial investment by choosing investments that minimize the potential for loss of principal. <input type="checkbox"/> Capital Appreciation: The objective of the capital appreciation strategy is to pursue growth in the principal of your investments over time while recognizing an increased level of volatility and risk. <input type="checkbox"/> Tax Advantage Income: The objective of the tax advantage income strategy is to produce income from investments (typically bonds and high-yielding stocks) that provide tax benefits such as exemption from state taxes.	<input type="checkbox"/> Speculation: The objective of this strategy is to produce higher-than-average gains by assuming a higher risk of loss by taking advantage of expected price changes. This strategy should only be chosen by investors who are not dependent on these assets for their financial well-being and who have a high risk tolerance. <input type="checkbox"/> Short Term Trading: The purchase and sale of a security within a short period of time, often a single trading session. This is the opposite of buy and hold. <input type="checkbox"/> Hedge: An investment made in order to reduce the risk of adverse price movements in a security by taking an offsetting position in a related security. For example, buying an option or selling a stock short against a long position. <input type="checkbox"/> Aggressive Growth: This strategy aims for the highest possible growth and is not risk-averse in its selection of investments. An example would be buying stock in an emerging company. This strategy is suitable for investors who are willing to accept a high risk-return trade off as these stocks tend to have high share price volatility.

1. **Definitions. "Introducing broker"** means any brokerage firm which introduces security transactions on behalf of the undersigned, which transactions are cleared through you, whether one or more. **"Obligations"** means all indebtedness, debit balances, liabilities or other obligations of any kind of the undersigned to you, whether now existing or hereafter arising. **"Options"** means all types of options, including puts, calls, equity, debt, index or otherwise. **"Securities and other property"** shall include, but shall not be limited to money, securities, commodities or other property of every kind and nature and all contracts and options relating thereto, whether for present or future delivery. **"You"** or **"your"** refers to Penson Financial Services, Inc.
2. **Limits.** The Undersigned shall not, acting alone or in concert with others, exceed the position/exercise limits set forth by any exchange or market or by any other regulatory authority having jurisdiction.
3. **Authority. Execution of Orders. Security Interest.** The undersigned hereby authorizes you in your discretion, should you deem it necessary for your protection for any reason, or if the undersigned dies, to buy, sell, or sell short for the undersigned's account and risk, puts, calls or other forms of option and/or to buy, sell or sell short any part or all of the underlying shares represented by options endorsed by you for the undersigned's account. Any and all expenses incurred by you in connection with such transactions shall be reimbursed by the undersigned to you. The undersigned understands and acknowledges that when transactions on the undersigned's behalf are to be executed and the options are traded in more than one marketplace you may use your discretion in selecting the market in which to enter the undersigned's order unless the undersigned specifically instructs otherwise. All monies, securities, or other property which you may hold in any account of the undersigned shall be held subject to a general lien for the discharge of the undersigned's obligations to you under this Agreement or otherwise.
4. **Notice. Exercise. Random Allocation.** The undersigned is aware of your requirements and time limitations for accepting an exercise notice and expiration date. The undersigned understands that the undersigned may not receive actual notice of exercise until the week following exercise. The undersigned bears full responsibility for taking action to exercise or sell valuable options; however, in the absence of the undersigned notifying the introducing broker to exercise a valuable options contract by 3 p.m. Central Standard Time on the last business day prior to the expiration date of the options contract, and the introducing broker instructing you to sell valuable options on the undersigned's behalf within such time, the undersigned agrees that you may exercise the options contract on the undersigned's behalf. In the event of such exercise, the profit in excess of commission costs created thereby will be credited to the undersigned's account. In the event that the commissions to be charged for such an expiration transaction exceeds the proceeds to be realized, the undersigned agrees and hereby relinquishes the undersigned's ownership in said option to you, and you may exercise such option for your own account. If the undersigned does not instruct the introducing broker to exercise the valuable option by the time stated above, and you for whatever reason, do not exercise such option on the undersigned's behalf, the undersigned hereby waives any and all claims for damage or loss which the undersigned might at the time or any time thereafter have against you arising out of the fact that the option was not exercised. The undersigned is aware that you utilize a random method of allocation for all option(s) assignments received from the Option Clearing Corporation. Exercise assignment notices for options contracts are allocated among all customers' short positions within that series. This is accomplished by a manual procedure, which randomly selects from among all customer short positions, including positions established on the day of assignment, those contracts which are subject to exercise. All American short positions are liable for assignment at any time. The undersigned understands that a more detailed description of this procedure is available upon request by the undersigned.
5. **Uncovered Options.** The undersigned agrees that in connection with any uncovered option(s) for the undersigned's account, the undersigned will not sell, during the life of such options, the underlying securities collateralizing such options, including any cash or securities which may accrue on the underlying covered securities until such options are closed, exercised or expired or the undersigned has met the collateral requirements established by you and/or the introducing broker for carrying uncovered options. The undersigned also agrees that the introducing broker and/or you, in your respective sole discretion, may refuse any order to sell such underlying securities received from the undersigned or by means of a "give up" basis through another firm unless, prior to such sale, the undersigned has met the collateral requirements established by you and/or the introducing broker for carrying uncovered options. You have the right, in your sole discretion, to permit the undersigned to apply the proceeds of such sale to such collateral requirements.
6. **Risks.** The undersigned is aware of the high degree of risk involved in options transactions and has given the introducing broker, in strict confidence, information to demonstrate that this account and the trading anticipated in connection therewith is not unsuitable for the undersigned in light of the undersigned's investment objectives, financial situation and needs, experience and knowledge. The undersigned represents that the undersigned understands that you act only to clear trades introduced by the undersigned's introducing broker and to effect other back office functions for the undersigned's introducing broker. The undersigned confirms to you that the undersigned is relying for any advice concerning the undersigned's accounts solely on the undersigned's introducing broker. The undersigned understands that all representatives, employees and other agents with whom the undersigned communicates concerning the undersigned's account are agents of the introducing broker, and not your representatives, employees or other agents. The undersigned understands that you will not review the undersigned's accounts and will have no responsibility for trades made in the undersigned's accounts. You shall not be responsible or liable for any acts or omissions of the introducing broker or its representatives, employees or other agents.
